

CONCUSSION AND SAFETY TESTING COACH/ADMIN REGISTRATION

Effective this season, all Coaches and Administrators must complete an online concussion and safety course prior to us being able to register you and print your card. You need to start the registration process by completing this course. This course can be found on the Calsouth website and will take approximately 30 minutes to complete. Instructions are as follows:

Go to www.calsouth.com

Click on “resources”

Click on “Concussion & Safety Information”

Click on link that says “Click here for online training course”

Enter your full Legal Name

Follow the instructions throughout the course.

Save certificate as a .pdf somewhere you can find it.

Then

Now, every Coach and Manager needs to register for the new season. Go to

www.realsocal.org

Click on player registration

About half way down the page, click on RSC Online registration link

Click on registration

Select appropriate season

Click on Coach/Admin registration

Enter User name & Password or Create a new account so the system can find you.

Follow the registration instructions making sure you pause on the personal information page to check your information and upload your concussion certificate.

Click on the certificate upload link image

Browse for the .pdf that you saved and click on “upload”

Continue with your registration until complete.

If you are a MANAGER, make sure you print your receipt (registration form) and keep in your team book.

All MANAGERS & COACHES - Please email Darlene at darlenequintanar@gmail.com that you have completed this process so she can roster you on your teams.
