

**Real So Cal
Financial Aid Request Form 2009-2010**
Financial Aid will only be considered if this form is completed and returned!

Approval of this application is conditioned on all of the required information being submitted and is subject to available club funds. Applications are prioritized based on need. It should be understood per club guidelines that no more than 50% of the annual fee can be granted in aid by the club, and due to the volume of applications in the past, aid granted normally cannot exceed 33% of the annual fee. Applicants and team members should take these factors into consideration when applying for aid.

The information requested below will be kept confidential but is necessary to assure that only those for whom payment presents a material hardship as opposed to a mere inconvenience are provided financial assistance. Our resources are limited and applications are considered on a needs basis only. ***Please note that recipients will be required to perform volunteer services to the club in return for financial aid. Please complete the attached volunteer registration form. You will be contacted with your assignment.***
